

# Bay State Public Health Training Hub

## TRAINING SERIES NAVIGATING SPECIAL TOPICS VOLUME II :

# Water You Testing?

May 29TH, 2025 AT 1:00 pm - 2:00 pm

**Water You Testing: A behind the scenes glance at recreational and environmental water testing**

Christina Eckenreiter is the Director of the New Bedford Health Department Laboratory. In this volume of the training series, Christina will provide instruction and clarity on various water testing procedures such as recreational, environmental, and potable water testing for municipalities. Christina will also give us a quick behind the scenes look at laboratory water testing operations.

## WHAT WILL BE DISCUSSED?

- ✓ Water Testing Laboratory Overview
- ✓ Massachusetts Beach Monitoring Program
- ✓ Water Sample Collection Procedures
- ✓ Environmental Water Testing
- ✓ Recreational Water Testing
- ✓ Potable Water Testing
